The first level of the 10 Parking garage has spaces with a four hour limit that are open to visitors. Park in one of these spaces and purchase a permit from one of the self-pay machines inside the garage. Payment may be made with Visa, MasterCard, or cash (machines accept \$1 and \$5 bills, but do not give change). A four hour permit costs \$7. The permit must be displayed face-up on the driver's side of the dashboard in your car.

Once you have purchased your permit and placed it in your car, exit the 10 Parking garage at the south end (opposite the entrance). Follow the blue line on the map, through the courtyard of the Engineering II building and around the large lawn. Enter the Chemistry Building and go straight ahead through the lobby to the first elevator and take it to the fourth floor. Mike Bowers' office is room 4249, in the north-east corner of the building. Turn right upon exiting the elevator and continue to the end of the short hallway. Turn right again into the long corridor and continue to the end. Prof. Bowers' office is the last door on the left. His telephone number is 805-893-2893. Other Bowers group labs and offices are also located on the fourth floor. The lab telephone number is 805-893-2673.
